

Keep Faith through Adversity

“That the genuineness of your faith being much more precious than the perishable gold that yet is tested by fire...” 1 Peter 1: 7

Walking by faith is not only about joy and victory, but also about tears and trials. How do we keep faith in the middle of adversity, and how do we not to yield to discouragement when the situation persists in spite of our prayers?

To get the victory we need to learn to raise our mind into the spiritual realm, to change the way we see the situation: no longer focusing our eyes on the greatness of the adversity, but to focus our spirit on the greatness of God Almighty. Remember that He is always with you and He is still in control, even when the boat is in the middle of the storm!

The silence of God is not his absence! Behind every trial that He allows, there is a divine plan to bless you if you keep a good attitude of humility and trust. The carrot, though hard, softens in boiling water, while the egg, yet fragile hardens in boiling water!

Know that through adversity God will make you stronger, He will take you higher and He will imbue you with power!

So Change your perception, and be among those who *“through faith and patience inherit the promises.”*
